- Luxury Brands & Branding
- Jazz Music & Chill Vibes
- Video Games

ABOUT ME

Specialized in building modern and high-performing web experiences, I master Laravel and Vue.js to develop dynamic and efficient applications. In parallel, I'm developing expertise in minimalist UX/UI design, with a strong interest in web animations. Self-taught, detail-oriented, and creative, I turn every project into a smooth and visually appealing user experience.

PROFESSIONAL EXPERIENCE

2023 : DjemBey Communication – Abidjan
